The Divisional Officer, Coondapoor complains of the heavy pendency of mulgeni suits filed in his Court and requests that a special establishment may be appointed for the disposal of such suits. When an application was made in October 1923 for the entertainment of a temporary process writer in the Coondapoor Divisional office in connection with the work relating to mulgeni suits the Board refused to recommend it to Government in B.P. No. 4362 Routine L.R. & Sett., dated 29th October 1923. Hence at this time of financial stringency it does not

appear to be advisable to recommend the entertainment of any special establishment. In order however to give some relief to the Coondapoor Divisional Officer, I propose to place certain villages of Udipi taluk under the Mangalore Divisional Officer and certain villages of Karkal taluk under the Puttur Divisional Officer under section 4 of the Mulgeni Rent Enhancement Act, 1920, so that these officers may dispose of the suits of the above villages sitting at Mulki and Punjalkatta and Belthangadi within their own divisions. These officers have not got many cases of their own divisions for disposal. I attach a list C showing the number of suits in each division.

I therefore request that the Government may be moved to place the villages mentioned in list A which adjoin the Mangalore taluk under the Mangalore Divisional officer and those in list B which adjoin the Uppinangadi taluk under the Puttur Divisional Officer under section 4 of the Mulgeni Rent Enhancement Act for the purpose of disposal of applications now pending or to be filed under section 5 of the said Act.
